

Stop the Spread

The City of Greenville has issued an emergency proclamation in effect until April 10, 2020.

The proclamation restricts movement of all people in the city to **stay home** unless they are participating in essential activities such as:

- For health and safety/medical services;
- For necessary supplies and services such as groceries, products necessary to maintain safety, sanitation, and/or essential operation of residences;
- Outdoor activity—exercise;
- Certain work at an essential business; and
- To take care of others

Failure to comply could result in being charged with Class 2 misdemeanor.
