

ADMISSION TO EXCELLENCE

Admission to the Honors College at East Carolina University™ is competitive and by invitation only. Students who wish to be considered for admission into the Honors College or any of its programs first need to meet minimum eligibility criteria to receive an invitation to apply:

- ▶ Submit a completed application for undergraduate admission to ECU™ by the early November deadline.

A completed application includes application and transcript.

Application fee waivers available for those who qualify.

- ▶ Meet the following minimum criteria within the high school achievement categories:

Minimum unweighted GPA of 3.7 OR minimum weighted GPA of 4.0

SAT & ACT scores will not be considered in our admissions process. Students not submitting test scores will not be at a disadvantage.

Honors College Scholarships

Every Honors student receives a four-year scholarship. This scholarship can be stacked on top of additional scholarships, grants and financial aid. Scholarships are renewable for a maximum of eight consecutive semesters of undergraduate work, provided students remain in good standing.

Centennial Fellows (100)

Centennial Fellows receive a scholarship valued at \$2,500 per year for four years.

Chancellor's Fellows (80)

Chancellor's Fellows receive a scholarship valued at the amount of in-state tuition, approximately \$4500, per year for four years. This scholarship DOES NOT include room & board or university fees.

EC Scholars (20)

The EC Scholars Award Program provides students with a scholarship valued at nearly \$64,000, honors level coursework, research opportunities and a required study abroad experience. EC Scholars are presented with myriad opportunities including a pre-college trip to Ocracoke. All students invited to apply to Honors are eligible and highly encouraged to apply for EC Scholars, which involves an additional application and video component.

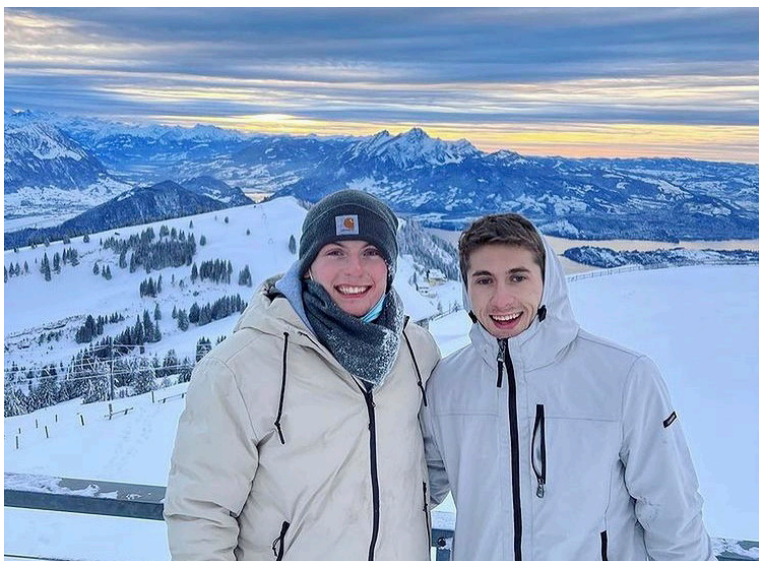

Early Assurance programs (NC residents only)

The Honors College also features Early Assurance programs to Brody School of Medicine (MD) and graduate programs in physical therapy (DPT), nursing (PhD), and audiology (AuD/PhD). Applications for these programs will be open only to students currently enrolled in honors and first time Honors applicants will not be eligible to apply (with the exception of nursing).
